## Arquitectura

## Costos de la arquitectura

category	type	region	count	unitPrice	cost	instanceType	instanceSize	platform	role	engine	dataGb
compute	ec2	us- east-1	1	15.18	15.18	t3	small	Linux			
networking	elb	us- east-1	1	22.27	22.27						10
storage	s3	us- east-1	1	3.95	3.95						0.25
database	rds	us- east-1	1	43.8	43.8	serverless	serverless		serverless	aurora- postgresql	

Precios infraestructura del proyecto con aws

Tool for diagram for cloud implementation.

## Instalación

Instalación del sistema.

## Soporte técnico post-instalación

Errores post-instalación? obvio si 🕹.
